			\$500.00	MONTHLY	MONTHLY	NOT ALLOWED	ALLOWED – WITH PENALTY*	YES

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are Share Certificate accounts.

- RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
- DIVIDEND PERIOD** — For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
- DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends are stated in the Rate Schedule.
- BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.
- ACCRUAL OF DIVIDENDS** — For all accounts, dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to your account.
- TRANSACTION LIMITATIONS** — After your account is opened, your ability to make additional deposits to your account or withdrawals of dividends and any limitations on such transactions are set forth in the Rate Schedule. For Share Certificate accounts, the minimum remaining balance must equal or exceed \$500.00.
- MATURITY** — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.
- EARLY WITHDRAWAL PENALTY** — We may impose a penalty if you withdraw funds from your account before the maturity date.
 - Amount of Penalty.** *For all accounts, the amount of the early withdrawal penalty is equal to 40 percent (40%) of the total dividends that would be earned over the term of your account.
 - How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.
 - Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:
 - When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
 - Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.
- RENEWAL POLICY** — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For accounts that do not automatically renew for another term, the account balance will be paid to you by check or transferred to another account of yours upon maturity. You will not be paid dividends on the account after the maturity date.
- NONTRANSFERABLE/NONNEGOTIABLE** — Your account is nontransferable and nonnegotiable.

The rates and fees appearing with this Schedule are accurate as of the declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate and fee information on your accounts, please call the Credit Union.
